**Access Home Insurance Company Receives Authorization to Assume
Nearly 10,000 policies from Louisiana Citizens**

Baton Rouge, LA, November 19, 2013 – Access Home Insurance Company (Access Home) has received authorization to assume nearly 10,000 policies and over \$19 million in premium from Louisiana Citizens in the latest round of Depopulation.

“This additional business will significantly increase Access Home’s premium writings in Louisiana and greatly improve our overall spread of risk.” said Hale Campbell, Access Home President. “Although we are relatively new, the Louisiana agents’ community has overwhelmingly supported us, as evidenced by the large number of policies they authorized us to assume”, added Mike Toffoli, Access Home’s Executive Vice President.

The policies which will be assumed effective December 1, 2013, will renew onto Access Home paper at renewal.

Access Home Insurance Company is an admitted Louisiana-domiciled insurance carrier headquartered in Baton Rouge.

Access Home has earned a Financial Stability Rating of A, Exceptional, from Demotech, Inc. For more information about Demotech, visit www.demotech.com. Learn more about Access Home at www.accesshomeinsurance.com.
